How can you help?

- Spread the word about the Family Survey to parent and guardians in creative ways with your FSS.
- Pinpoint opportunities for students to complete the Student Survey during designated times.
- Consider incentives (within your school's budget) to encourage survey participation.
- Initiate a friendly competition among colleagues to see who can collect the most surveys at the end of each month.

Who should you offer the survey to?

- Each parent or guardian per student should complete the Family Survey.
- Staff members (Teachers) should complete the Staff Survey during designated PD days.
- Let's work together to have every student from 5th - 12th grade complete the Student Survey by January.
- Each survey takes less than 10 minutes to complete!

Where can you access the surveys?

- Online at cleveland.sytepps.org
- Use your mobile device camera to access the link in the QR code
- Reminder: Family Surveys require a student ID number and birthdate to login.

Family Support Specialists are available in every CMSD school building. Locate your FSS should you need more information or email ppssupport@sayyescleveland.org.
